-------------	---------------------	---------------	----------------	------------------	-----	------------	--------

All prices are non-binding, in EURO and subject to VAT.

All prices are ex works. Freight and packaging costs will be charged additionally!

For orders with a net value of less than **€ 60.00** we charge a processing fee of **€ 8.50 !**

footer

1) The here given RAL prices (per unit) apply from an order quantity of 48 pieces.
For smaller quantities (min. 20 pieces) a processing fee of at least 60.00 euros will be charged additionally.

2) For special lengths, we charge the price of the larger standard length and a surcharge of € 30.00 net per length change.
Lengths over 1100 mm are calculated separately.
We charge a flat-rate surcharge of €150.00 for special colours and per colour change and € 6.00 for powder coating per set.

3) these products have special freight limitations - please get in contact with us for more information

4) not eligible for discount

5) Items with a minimum quantity unit may only be ordered in the specified quantities or multiples thereof

96) Discontinued item with replacement

97) Discontinued item without replacement

99) no longer available

Glass deliveries are also subject to special freight requirements - please get in contact with us for more information

This requirement for special transport of the goods also applies to all products with a length >2800 mm

*** BMEcat Data**

The data in the price list is generally updated immediately so that an up-to-date list can be provided promptly.
The current status is indicated by the date in the header on the right.
Although our BMEcat data is updated at regular intervals, there may be temporary deviations from the current price list.
This is because the creation of the BMEcat file requires a large number of changes to be made in advance.
We therefore ask for your understanding.

The publisher is not liable for printing errors and mistakes in the catalogue and price list. Colour deviations due to printing are possible.
We reserve the right to make technical changes as part of the further development of our programme, as well as to discontinue individual
